RESPONSE TO ELECTION OF SPECIES REQUIREMENT

Dear Sir:

In response to the election of species requirement set forth in the Office Action mailed May 4, 2005, Applicant hereby provisionally elects **Species I** for continued examination, which includes claims 1-4, 6, 11, and 15. Further, Applicant asserts that claims 1-3, 6, 11, and 15 are generic.

Applicant respectfully traverses the Examiner's Election of Species requirement. First, the Examiner did not provide reasons to support the restriction requirement. Second, the Examiner does not identify whether any of the claims are generic. Therefore, Applicant respectfully requests the withdrawal of the Election of Species Requirement.
